

Non-Emergency Transportation Services

Non-Emergency Medical Transportation is a non-emergency transportation service provided for recipients who are transported to and from a destination by the provider's authorized vehicle and driver.

Transportation pricing for private pay:

00-30 mile distance \$20 round trip

31-60 mile distance \$40 round trip

61-100 mile distance \$65 round trip

Travel over 100 miles:

The charge is a \$65 flat fee plus .65 cents per mile for miles driven over 100.

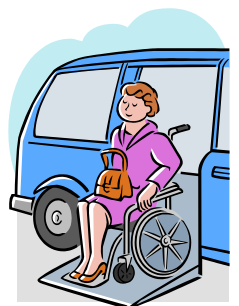

Max travel mileage is 150 miles.

Note: Each person will have his / her own round trip cost.

**Private pay and most insurances accepted (upon insurance approval).
Call Gloss Enterprise at (985) 419-2430 to schedule services or for more information.**

FOR MEDICAID INSURANCE:

The NEMT program provides transportation without cost for Medicaid recipients on a uniform basis throughout the state when recipients request services through the Transportation Dispatch Office at 1-855-325-7565.
